Please ensure that all animals are show trained and that all show equipment is in good condition.

9. Animal Welfare

Pembrokeshire Agricultural Society is very keen to ensure the health and welfare of all livestock that attend the events that the Society organises. Show organisers have an obligation (under the terms of the Animal Welfare Act 2006 Section 9(2)) to ensure that the best welfare practices are observed at all times and this also assists in the prevention of the spread of animal diseases. This involves working to the regulations and guidelines set out by government organisations, and developing policies and procedures that can be compiled with by the society's representatives e.g. staff and voluntary workers, exhibitors and the general public. The PAS Welfare Plan has been drawn up with the assistance of the society's appointed veterinary surgeons, Fenton Veterinary Practice & Cotts Farm Equine Hospital and demonstrates that due consideration had been given to all aspects of animal health and welfare. The plan is available for inspection by the animal health authorities if required. The society is keen to promote equine welfare and as part of this we encourage all riders, no matter where they are on the showground, to be of an appropriate size and weight for the horse/pony being ridden.
